## WHO IS FEST INTENTIONS?

We are **Fest Intentions**; the UK's premier festival travel platform. A music fan's greatest tool providing access to all things festival related on one, easy to use website.

Through our extensive bus and coach network, we supply sustainable travel alternatives for festivals and events nationwide, with customisable routes and pick up points.

We also provide you with additional support through our 'SOS Centre', where you have access to a team on-hand 24/7 to help you deal with those unexpected challenges.

Built for first time festival goers and seasoned professionals alike, the Fest Intentions platform features listings, travel packages, music news, merchandise and the all important SOS support site which sits at the core of our business ethos.

## YOUR FESTIVAL FRIEND... HERE WHEN YOU NEED US!

As a customer you'll have access to a ton of content including music news, exclusive music content and festival merchandise. We also back this up with our unique 24/7 support through our 'SOS Centre', where there is always somebody on hand when you need it.

## MAKING FESTIVAL ATTENDANCE EASY

Whether you're a seasoned professional or gearing up to attend your first festival, we can make organising your travel simple and exciting. With the ability to customise your route and pick up points, you can rest assured the only thing you'll have to worry about is what you need to pack, and who's going with you!

## EXPAND YOUR SOCIAL CIRCLES

Ditch those long train rides and tiring car journeys; if you travel with us will expose you to a bunch of likeminded music fans from your local area. Sit back and relax whilst you travel effortlessly to your chosen event, and with people you may end up being mates with?
